

# Letting Go

Above & Beyond

Feel your touch  
I didn't ask for much  
I can feel you stop and leave  
Maybe, it's not enough for me

What if I'm letting go?  
What if I'm letting go?

Letting go  
Letting go  
Letting go

I feel your touch  
I didn't ask for much  
What if you're not what I need?  
Maybe I should run and leave

What if I'm letting go?  
What if I'm letting go?  
Letting go  
Letting go  
Letting go

What if I'm letting go?  
What if I'm letting go?

Letting go  
Letting go  
Letting go
