

# Lullaby

## Above & Beyond

I am not a bird  
Do not keep me in a cage  
And I am not a well of ink  
To be used up on your page

I am not a curse  
To be cast on those you hate  
I am made of universe  
I'm mighty, I am great

Lullaby  
Oh, teach me to cry  
With songs of love that heal me  
Oh, let me fly

Lullaby  
Oh, teach me to cry  
With songs of peace that free me  
Oh, let me fly

Oh, let me fly  
Ooh, let me fly  
Ooh  
Ooh, let me fly

I am not a chess piece  
Used to conquer and divide  
I am not your emblem  
Or a place for you to hide

I am not a line of dirt  
Grazed along your shoe  
I belong to eternity  
A rare and precious jewel

Lullaby  
Oh, teach me to cry  
With songs of love that heal me  
Oh, let me fly

Lullaby  
Oh, teach me to cry  
With songs of peace that free me  
Oh, let me fly  
Let me fly

Twinkle, twinkle, little star  
I see how amazing you are  
Sing me your lullaby  
Sing me your lullaby  
Sing me your lullaby

Twinkle, twinkle, little star  
I see how amazing you are  
Sing me your lullaby  
Sing me your lullaby  
Sing me your lullaby

Sing me your lullaby  
Sing me your lullaby  
Sing me your lullaby
