

## Sticky Fingers

Above & Beyond

We painted the picture you want  
I wanted it too  
But now there's something that I  
Would like you to do

Get your sticky fingers out of my head.  
Get your sticky fingers out of my head.

It's not that I'm ungrateful for  
The chance to dream and then explore  
But your elegant dinosaur limbs  
Are still willfully bruising my skin

Get your sticky fingers out of my head.  
Get your sticky fingers out of my head.

Get your sticky fingers out of my head  
(get your sticky fingers out of my head)
