

# Titanium

Above This

What would you do?  
If someone took everything that you had  
Then turned against you and used it for bad  
The answer is nothing but an alternation within one's first impression  
I'll be the ending of your lies  
I don't give a fuck!  
I don't give a fuck about the things that you tell me  
I don't give a fuck because your only out to get me

I cannot remain this way forever  
It's just too much  
Well if it's do or die  
Well if it's do or die then I will try  
To be the man I was

Yeah!

[2x] I'll be your sunset, I'll be your light, I'll be your armor, Let's start a fight

Let's pick it up! I feel, like I'm being threatened by your words  
At the end of the day, you don't mean shit to me  
You swore, that we wouldn't bump heads like we did before  
Why is it all a lie, I can't keep putting time aside for this  
I cannot remain this way forever, it's just too much  
Oh, all the shepherds are calling their groups  
Just like them you follow as one  
I don't give a fuck about the things that you tell me  
I don't give a fuck because your only out to get me now  
Across the fields of burning shrub  
I'm standing across the lake above  
And at the end of the day  
I'll take this shit away  
What's the cure, to the feeling the boredom, and they tell me they tell me your lost  
I can't fucking stand the judgement, I'm blowing smoke cause I like getting high

I cannot remain this way forever  
It's just too much  
Well if it's do or die  
Well if it's do or die then I will try  
To be the man I was

Bitch I'll fucking bury your face in the dirt  
So eat those rocks bitch hope that fucking hurts  
This is not the way that I planned  
What the fuck right? You'll never understand  
I'll fucking bury your face in the dirt  
So eat those rocks bitch hope that fucking hurts  
I'll be the ending of your lies

Say, anything you want, I'll have your throat!
