

## Explain

Abra Cadabra

Sure  
Shh-  
(Ayy, Juggy, that's cold)  
OFB in the building

It's that shit one's used to, but  
(Oh) Still getting used to it, you know (Oh-oh)  
Oh-oh  
Gah

If you feel to diss me and keep it a mystery I hope your conscience hurts you

'Cause I'd never do you like that, I would never think to hurt you (Sho-sho)  
Took a long time to reach this far, girl I had to jump some hurdles  
If I had to explain when all the love came, we'd be going in circles  
No, I ain't never felt this feeling before (Nah)  
Asked the Gs how I curved all the gyal in the dance, real quick and [?] to the door  
No other reason, I'm just feeling for yours  
I feel like with you I got brighter days ahead  
Made a promise I'll be with you 'til I'm dead  
I ain't never tryna go back on it

Rest your head on my chest, play it love in the best way  
Never the stress way, we'll have the best days  
I'll love you in next ways, I'll be your best mate  
I'll never switch on the next day (You know)  
Everyday I wake up right next to you (Can see you in the mornin', in the mornin')  
You and me in this thing my darlin', it's me that's healing the scaring  
I don't give a fuck what Summer Walker's tryna tell you  
I ain't like them other guys, I'll never tell no lies, your love is sacred in my eyes  
Them days are old when my heart was cold, now I'm feeling the love and I'm letting it flow  
When your [?] real bad [?] love we know, I can't even think about letting you go

If you feel to diss me and keep it a mystery I hope your conscience hurts you (I hope your conscience hurts you)  
'Cause I'd never do you like that (I'd never do you like that), I would never think to hurt you (I would never think to hurt you)  
Took a long time to reach this far, girl I had to jump some hurdles  
If I had to explain when all the love came, we'd be going in circles  
No, I ain't never felt this feeling before (Nah)  
Asked the Gs how I curved all the gyal in the dance, real quick and skip to the door  
No other reason, I'm just feeling for yours  
I feel like with you I got brighter days ahead  
Made a promise I'll be with you 'til I'm dead  
I ain't never tryna go back on it

Thank god for the time he gave man to know you, gave man to show you the man I can be  
Anytime I see you I have to stand up an scream, but I keep my cool 'cause I'm the baddest of Gs  
Fuck the past, don't matter to me, your ex man is a punk, he ain't better th

an me

How you mean I got cash and [?] with me, everything get fucked when I leave  
(Grr-bow)

If I ever get locked up over some hot stuff, will you remember me? (Sho)  
God forbid that I leave your side, but baby girl would you remember me? (You  
know)

I'd be lying if I said that I didn't feel sometimes that you pretend to me  
I still think we're meant to be, that's why I give the best of me

If you feel to diss me and keep it a mystery I hope your conscience hurts yo  
u (I hope your conscience hurts you)

'Cause I'd never do you like that (I'd never do you like that), I would neve  
r think to hurt you (I would never think to hurt you)

Took a long time to reach this far, girl I had to jump some hurdles

If I had to explain when all the love came, we'd be going in circles

No, I ain't never felt this feeling before (Nah)

Asked the Gs how I curved all the gyal in the dance, real quick and skip to  
the door

No other reason, I'm just feeling for yours

I feel like with you I got brighter days ahead

Made a promise I'll be with you 'til I'm dead

I ain't never tryna go back on it

If you feel to diss me and keep it a mystery I hope your conscience hurts yo  
u

'Cause I'd never do you like that

Ayy, Juggy, that's cold

I would never think to hurt you

I had to jump some hurdles

Going in circles

Ooh-oh-oh
