

Let Man Know

Abra Cadabra

Sho, Sho, Sho, you know
AB in the building, Seven shit, gang
Ay Rocky, this wavy
O way or no way
Get right, get left in a stretch
Free the drillers ten times, you know
Add a K to the O get blammed
You get done like my man

Ask Lerkz how I lined up like ten man with the wap
Tryna do it like Chiraq (Bow, bow)
Or we got that yute on the opp block
Didn't wanna state his gang so I diced man (Whoosh)
Xhing Xhao from early but now I just wan' blast and fry man
So from now I ain't swingin' my right hand (No)
Now I just hold it steady and fry man (Gang)
That corn weren't meant for them
But I sent it there cah the 9 weren't out here (Bow)
Only good yutes on peddle bikes 'round there
Hella gunman and trap boys 'round here (Shook)
Rudeboy, if I rise it up it's a tape situation, I don't pose (Gang)
Grip that ting and let it go (Bow)
We're the Farm boys that slapped your bro
Yeah, when I pull up with Lz, don't freeze up (Nah)
Make sure you have your beaters (Sure)
Man shanked that once, then again and again
With hopes that a nigga definitely don't heal up
When I'm in a dinger, masheen get feel up
Eyes out the window lookin' for black yutes
I don't support no black-on-black crime
But I'll blast this 9 at one of them black yutes (Bow)

Send corn after man if they're after man
I just let man know (Know)
Man don't argue fam, I just blast a man
That's how I let man know (Know)
Lean out the ride, let it go
Then it might be a gyal I make touch her toes (Toes)
Baby, come arch your back
Come arch your back, make your chest go low (Low)
Make your chest go low, make your chest go low
Don't make your boyfriend know (Nah)
Put my strap on the side, grip her neck back tight
Let me tek' control (Control)
We the baddest in North cah we drillers, of course
And the shartays know (And the shartays know)
She wants a man from Nizz
I said, "baby, let me hear you say O"

(Bando)

Broski just called, said the govs fucked up
Nearly got face-to-face with Chucky (Unlucky)
Swing my blade, crash corn from a brucky
Spin the hootie, big darg, no puppy (No puppy)
I didn't catch shh-shh, he's lucky, Kentucky
Bare little rides move funny (Little ride)
Sixteen, Rambos on my tummy

Hungry bunny, I need me some money (Yo)
Got her throwin' it back for Bando
Just Bando? I gotta swing it on Lerky (Err)
Get out of here, you're thirsty
You're all involved, from fourteen to thirty (No)
Bounce, some man does play dirty in Burberry
Had my little blade at thirteen (I had it)
Sweet-sweet little one, she's curly
Whisper to me she's been preein' from early (Listen up)
Her ting set good like the mash on the block
So you know that it beats off certy (Err)
Six 'til broski burs' me
Both hands up, had 'em like 'don't burst me' (But I am)
Boogz said he try hop servery
I tell him just cool and ride your bird G (Just ride it)
Boogz said he try hop servery
I tell him just cool and ride your bird G (Just ride)

Send corn after man if they're after man
I just let man know (Know)
Man don't argue fam, I just blast a man
That's how I let man know (Know)
Lean out the ride, let it go
Then it might be a gyal I make touch her toes (Toes)
Baby, come arch your back
Come arch your back, make your chest go low (Low)
Make your chest go low, make your chest go low
Don't make your boyfriend know (Nah)
Put my strap on the side, grip her neck back tight
Let me tek' control (Control)
We the baddest in North cah we drillers, of course
And the shartays know (And the shartays know)
She wants a man from Nizz
I said, "baby, let me hear you say O"

(Ay-ay-ay)

Ride on bikes to the opp block side (Bow)
Nearly pushed their guys
You just think 'how could he?' (How could he?)
Went to the 9, hit one off his pushie (Haha)
Boogie, my slime, bro weren't no pussy (Weren't)
Swing my knife up in your hoody
Sweet one, bruck it back and hold woody (Bruck it)
Up in her belly, she feels it fully
Bend over gyal, backshot get jukey (Bend over)
I'm tryna duppy man daily, rate me (Ay)
Trip, get left on Page 3
Burn my shoes, now I'm back up in JD
Bro-bro touched that one like a lady (Bow, bow bow)
Swing this Rambo 'round and go crazy (Ay)
Slide in a bruck down Beamer or A3 (Slide)
Fuck that, make man drip, Lil Baby
I've been on my fuckery since I went mainstream (I have)
Tear man's liver, ride for your nigga (Tear it)
On the one-twos, rev that gas (Rev it)
Hop off the back, you don't wanna get bill up
Shh got caught, he should've been quicker (Dickhead)
Got left in the field like litter (Haha)
Beat this one, make you dance like Thriller or Lingard
Pray he don't sing like Tiller
Your friend got dropped, now pour some liquor

Send corn after man if they're after man

I just let man know (Know)
Man don't argue fam, I just blast a man
That's how I let man know (Know)
Lean out the ride, let it go
Then it might be a gyal I make touch her toes (Toes)
Baby, come arch your back
Come arch your back, make your chest go low (Low)
Make your chest go low, make your chest go low
Don't make your boyfriend know (Nah)
Put my strap on the side, grip her neck back tight
Let me tek' control (Control)
We the baddest in North cah we drillers, of course
And the shartays know (And the shartays know)
She wants a man from Nizz
I said, "baby, let me hear you say O"
