

Guilty Pleasure

Abraham Mateo

I get up, yeah, i can't stop,
Can't stop thinking of you, yeah
I get up, yeah
When will be the next time i touch you, yeah

So sexy
Yo quiero recorrerte muy despacio
So crazy, crazy
Tu ya me hiciste adicto a tus labios

No, no puedo separarme de tu cuerpo
I said no, no I just wanna be your guilty pleasure
My pleasure

Tell me what you're needing
I'll give you baby
Make it last forever
Te lo daré
Tell me what's your secret
Se que te mueres
What's your guilty pleasure?
Guilty, guilty pleasure
Guilty, guilty pleasure

Don't be shy, come on,
come on talk about it
What's on your mind,
let me play it out on your body

So sexy
Yo quiero recorrerte muy despacio
So crazy, crazy
Tu ya me hiciste adicto a tus labios

No, no puedo separarme de tu cuerpo
I said no, no I just wanna be your guilty pleasure
My pleasure

Tell me what you're needing
I'll give you baby
Make it last forever
Te lo daré
Tell me what's your secret
Sé que te mueres
What's your guilty pleasure?
Guilty, guilty pleasure
Guilty, guilty pleasure
Guilty, guilty pleasure

Tell me what you're needing
I'll give you baby
Make it last forever
Te lo daré
Tell me what's your secret
Se que te mueres
What's your guilty pleasure?
Guilty, guilty pleasure
