

I wish I was a fly on the wall  
Playing pretend and  
Watching when that guy made it all  
Start at the ending

Maybe that's the key, maybe not  
But every single thing's gonna look like a lock  
Until it all starts clicking into place  
Clock stopped ticking, it can wait

Is it a fantasy?  
I feel it when I'm half asleep  
Just wanna be alone  
And see how far it goes

I wish I was a fly on the wall  
Playing pretend and  
Watching when that guy made it all  
Start at the ending

Maybe that's the key, maybe not  
But every single thing's gonna look like a lock

I feel it when I'm half asleep  
Just wanna be alone  
And see how far it goes

Is it a fantasy?  
Just wanna be alone  
Is it a fantasy?  
Just wanna be alone  
Is it a fantasy?  
I feel it when I'm half asleep  
Just wanna be alone
