

Better Things

Abstract

Yeah, ooh, ay
Yeah, ooh, aye
Yeah, oooh, ay

Uh, don't break all my plans If you don't want a man
Don't tell that to moms cause she won't understand
Miss me with that pity, you know who I am
All those firsts I gave you were your second chance
And now I'm gone, gone, gone, gone
Don't hit me up in the morning, won't be here that long
Don't call me when you want me 'cause I want you no more
Yeah, no more yeah, no more

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Saw your message, hope you know I won't reply
To be honest with you, I ain't got the time
I thought we had talked and I thought we were fine
Guess you found a different message in that wine
I'm Dyrdek in his prime, mean I ain't got no time for Drama
I'm too busy chasing wins, look like comma, comma, comma
Know I keep it real as always, know I keep it real with you
But what you thinkin' not what I been thinkin', think it through
We go way back in the day, that's the place that it should stay
Feel like ever since I blew up, exes got some shit to say
I hope that you doing fine, take a number, fall in line
Promise this the last time that you'll ever fall in mine

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?

I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Left home like I ain't coming back, honestly, I'm unattached
'Cept for my family and the view, home wherever my girl is at
My studio look like a dream, I'm the youngest on my block
Yes, I do this for the team, used to dream of what (woo) I got
Back when I would record in my bedroom, yeah
Off a USB mic, mixing songs in that GarageBand
Dreamin' what it'd be like, I swear I'm done with moving slow I'm onto better things
You know I gotta blow up, I know they know us
I got a date with destiny and I'm gon' show up
Heard she impatient, well so am I
So let's get down to business
The shit here is do or do or die, yeah

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
I'm onto better things

Where you goin'?
I'm onto better things
I'm onto better things
(I'm onto better things)
I'm onto better things

Yeah, ooh, ay
(Wooh)
Yeah, ooh, aye
(I'm onto better things)
Yeah, ooh, ay
