

Dive 1

Abstract

Wake

Where-where am I?

Well, actually that's very much up to you

In short, you are within a program on my ship

Who is speaking? This must be a-a dream or something-
who are you?

For the time being, it does not matter who I am

I aim to find out who you are

Systems, initiate Dive

What in the...

Alright, I just have to wake myself up, convince myself I'm in
a dream

In the end, do you want to remember or be remembered?

Oh, yeah, hello

Yeah, yeah, yeah, yeah

Oh, yeah, hello

Yeah, yeah, yeah

Oh, yeah, hello

Yeah, yeah, yeah, yeah

Oh, yeah, hello

Yeah, yeah, yeah

Oh, yeah, yeah

Yeah, yeah, yeah, yeah

Oh, yeah, yeah

Yeah, yeah, yeah

Oh, yeah, yeah

Yeah, yeah, yeah, yeah

Oh, yeah, yeah

Yeah, yeah, yeah

The stars hang high

While we swing low

Much too small to

Admit we don't know

Paint me massive; feed me lies

Explain magic, trick my eyes

Let me fall into your fantasy

It's all so big, tell me life's a dream

And if I go on Sunday

I might wake up one day

What a selfish way to live

What if life's our only gift?

(What if life's our only gift?)
