

## Dive 2

### Abstract

Systems what's our flight plan progress?

We have covered about a third of our journey Ms. Watson.

Very good, I believe it's time I performed an update on Luke's digital artifact.

Activate the Neural Link.

I need to generate a remote DIVE on his organic host back on earth.

Let's see where his journey has taken him since our last immersion.

Initiate Dive in 3... 2... 1.
