

Floating

Abstract

Systems, what's wrong?
(We've entered an asteroid field)
(Requiring full power to the ship's control for evasive action)
(Shall I put the dive program into sleep mode?)
Yes, take all action necessary
I will return shortly

Fly away, so fly away
Float far away
In outer space
Lose track of time
Embrace your mind
No walls live here
You're fine

Oh I, I'm floatin'
This space inside me, I've been coastin'
Oh I, oh I, oh I, I'm floatin'
This space inside me, I've been coastin'
Coastin', coastin'
Oh I, I'm floatin'
This space inside me, I've been coastin'
Oh I, oh I, oh I, I'm floatin'
This space inside me, I've been coastin'
Coastin', coastin'
Yeah

Lose track of time
Explore your mind
Daydream, daydream, daydream, daydream
Lose track of time
Explore your mind
Daydream, daydream, daydream, daydream

Oh I, I'm floatin'
Daydream
This space inside me, I've been coastin'
Daydream
Oh I, oh I, oh I, I'm floatin'
Daydream
This space inside me, I've been coastin', coastin'

Okay!
There ain't nothin that you can't do
Can't do, can't do, can't do, can't do, yeah!
Set your mind to it, make moves
Make moves, make moves, make moves, make moves, yeah!
Watching other people's dreams come true
Come true, come true, come true, come true, ayy!
You could spend the same time on you
Court side in the game of life but you could score too, yeah

Coastin', coastin'
Yeah
