

I've Done Okay

Abstract

Tried my best, still a mess
Blood runs cold through my chest
I grew my hair out, been dressing all black
I think I lost something I won't get back
'Cause I tried to give them the world, now they spit on my name
She spins her lies, I spin out of control in her game
You can't be saved if I couldn't
I did so much that you wouldn't
Now you tell your friends I'm the enemy now
Sooner or later, they all will find out
The way that you used them, abused them, then lied
You're never the problem in stories they buy
But I know it starts at your roots, I got mine
Been there to catch me when I lose my shine
Love to my family who's witnessed me fall
Lifted me up 'til I'm back standing tall
Taught me to value all my honesty
Loved me in times where it caused me to bleed
I've had some moments I hate that you've seen
I know I'm not what you thought I would be
But I've done okay, I've done okay being me

I've done oh-, I've done oh-

I've done okay, I've done okay
I've done okay, I've done okay
I've done okay, I've done okay being me
Na-na-na, na-na-na, na-na-na, ayy
I've done okay, I've done okay
I've done okay, I've done okay
I've done okay, I've done okay being me
Na-na-na, na-na-na, na-na-na, ayy
I've done okay, I've done okay
I've done okay, I've done okay
I've done okay, I've done okay being me
Na-na-na, na-na-na, na-na-na, ayy
I've done okay, I've done okay
I've done okay, I've done okay
I've done okay, I've done okay being me
