

# Playing Pretend

## Abstract

You walk around like you're so innocent  
Been in my bed and they don't know the half of it  
But I guess the character sells  
Guess the devil wears a halo well

Put on a masterclass the way you act  
'Cause nothing ever adds up til the aftermath  
And it's a goddamn shame you'll lose this game in the end  
There's only so long you can play pretend  
There's only so long (Yeah)  
There's only so long (Yeah)  
There's only so long you can play pretend (Yeah)  
There's only so long (Only so long)  
There's only so long  
There's only so long you can play pretend

Do you think that you're a genius?  
That no one sees behind your secrets?  
Using hearts to your convenience  
Can't wait to see what karma teaches  
Lighting me up, letting me down  
The queen of disaster and you're wearing the crown  
Letting you go, I'm letting you win  
A matter of time before you do it again

Put on a masterclass the way you act  
'Cause nothing ever adds up til the aftermath  
And it's a goddamn shame you'll lose this game in the end  
There's only so long you can play pretend  
There's only so long (Yeah)  
There's only so long (Yeah)  
There's only so long you can play pretend (Yeah)  
There's only so long (Only so long)  
There's only so long  
There's only so long you can play pretend

Put on a masterclass the way you act  
'Cause nothing ever adds up til the aftermath  
And it's a goddamn shame you'll lose this game in the end  
There's only so long you can play pretend
