

Rock The Boat

Abstract

I've been feelin' wavy, rock the boat
If he feelin' funny, ain't no joke
Too much on the line, can't take no risk
Throw 'em in the water, hope you float
Rock the boat, ain't no joke
Rock the boat, ain't no joke
We' gon' through 'em in the water, hope he float
If he don't, now we know, yeah

Rock the boat, baby
Hope you float, baby
If he don't, baby
He get ghost, baby
I got hitters, yeah the whole team throw
If he act up, yeah we know he ghost
I got eyes on him, tide will rise on him
I got money on his head, yeah there's a prize on him
And we ain't shy on 'em
My guys will slide on 'em
Really if he wanna hide, then we gon' rock

I've been feelin' wavy, rock the boat
If he feelin' funny, ain't no joke
Too much on the line, can't take no risk

Rock the boat, ain't no joke
Rock the boat, ain't no joke
We' gon' through 'em in the water, hope he float

I-I-I-I'm aware that very few are what they seem (What they seem)
Memories I got look better than your dreams (Dreams)
Hear 'em talkin' but the walk is never seen
Way I'm wired, I'm a fighter
Get it done by any means, yeah (Waves crash)
What they gonna do about the bail out? (Newsflash)
Authenticity is settin' sales now (Whiplash)
Hope it's not too late
When they find out
Lookin' out for 'em
Shinin' like a lighthouse

I've been feelin' wavy, rock the boat
If he feelin' funny, ain't no joke
Too much on the line, can't take no risk
Ayy, throw 'em in the water, hope you float
Rock the boat, ain't no joke
Rock the boat, ain't no joke
We' gon' through 'em in the water, hope he float
If he don't, now we know, yeah
