

# Sun's Up

## Abstract

How come when the sun's up I don't miss you?  
How come when the sun's up I don't miss you?  
Lord, ooh, got me guessin'  
Maybe when the sun's up I don't miss you  
How come when the sun's up I don't miss you?  
How come when the sun's up I don't miss you?  
Lord, ooh, got me guessin'  
Maybe when the sun's up I don't miss you  
(Yeah, yeah, yeah, yeah)

Poured my coffee after 12, schedule room been somethin' else  
Every day been gettin' easier, forgettin' how it felt  
Everything remindin' me of everything it used to be  
Bedroom feelin' pretty dark, you messed up the energy  
Memories I don't remember, why I feel like I was there?  
Sage burnin' while I'm turnin' 'cause I really thought you cared  
But these walls know the story more than I do  
They've been talkin' to me so much I was blind to  
Always tried to see the light inside you, thought you had a heart  
Now I know that you're addicted to the chaos, to the dark  
When you hear this, I know you gon' laugh it up like demons do  
I'ma laugh it up when I don't ever have to think of you  
Middle finger might slip at the Grammy's, just know it's for you  
Watchin' from a trailer out in nowhere when you're 32  
Used to be a monster, I'd recovered, now I'm back again  
Honesty is murder, it's when you connect me with a pen  
Yeah, that's the way it's always been

How come when the sun's up I don't miss you?  
How come when the sun's up I don't miss you?  
Lord, ooh, got me guessin'  
Maybe when the sun's up I don't miss you (Yeah, yeah, yeah, yeah)  
How come when the sun's up I don't miss you? (I don't miss you when the sun's up)  
How come when the sun's up I don't miss you?  
Lord, ooh, got me guessin' (Yeah, yeah, yeah, ooh)  
Maybe when the sun's up I don't miss you

I know that you want me  
When someone loves me  
The way that I loved you  
I know that you want me (That you want me)  
When someone loves me (When someone loves me)  
The way that I loved you

How come when the sun's up I don't miss you?  
How come when the sun's up I don't miss you?  
Lord, ooh, got me guessin'  
Maybe when the sun's up I don't miss you (Ooh)  
How come when the sun's up I don't miss you? (I don't miss you)  
How come when the sun's up I don't miss you? (I don't miss you, ooh)  
Lord, ooh, got me guessin'  
Maybe when the sun's up I don't miss you (Ooh)

I don't miss you  
I don't miss you, ooh
