

WORK

Abstract

I came for the work
They ridin the benches, yeah
They talkin is cheap
They kissin the cleat
I swing for the fences, yeah
I'm lovin the ride that's why
You watchin me move with a smile
Invested with blood, sweat and tears
I promise that I'm that guy
I came for the work
They ridin the benches, yeah
They talkin is cheap
They kissin the cleat
I swing for the fences, yeah
I came for the... work... work

Put em' on the clock
Give em' what I've been getting and let em' rock
Show em they couldn't hold it if given chance
All the pressure that comes with the maintenance
Ignorant to be thinking so 9-5, grind is 24/7 the dream alive
Only cause since I got it I never sleep
Seven days with the hustle ain't for the weak

Open to interpretation I know that the genres I play in too vast for the basic
They used to music they package the safest for people whose taste is so deftly complacent
Look at em' stunting off stunting their growth, soul intact every word out my throat
Hopping on waves while we built up the boat, crashing and now they got nowhere to float
Steadily bred for longevity don't let it get to me I know I'm waking em up
I turn a dream to a bean when I'm grinding, inspiring minds when I pass em a cup
We got the energy for the drive, for the people that need some more out of life
This the realest of deals cause we pay the price, clocking in all these hours that's every night

They don't wanna go no, they don't wanna go
They don't wanna go no, they don't wanna go
They don't wanna go no, they don't wanna go
They don't wanna go noo... Yah! Yah! Yah!

I came for the work
They ridin the benches, yeah
They talkin is cheap
They kissin the cleat
I swing for the fences, yeah
I'm lovin the ride that's why
You watchin me move with a smile
Invested with blood, sweat and tears
I promise that I'm that guy
I came for the work
They ridin the benches, yeah
They talkin is cheap

They kissin the cleat
