## Abstract

I travel land, I travel sea  
We fell apart, I lost a part of me  
Something changed and you can't blame me  
I had no choice, I had to leave  
And every time I lose my mind  
You'll be the one inside it  
I could lie and say I'm fine  
But what's the point of hiding

It's set in stone, you moved alone  
You know yourself, you know you're selfish  
Can't let it go, I got an empty home  
And I can't help, no, I can't help  
I drive my car to our favorite bar  
And I drink alone, yeah, I drink alone

Yeah, I know where I went wrong  
Yeah, I know where I went wrong  
Yeah, I know where I went wrong  
Yeah, I know where I went wrong

Caught my reflection in the bottom  
Of this empty bottle  
My way dealing with today  
That I'll regret tomorrow  
Ask where I've been, the life I've lived  
Has left me wanting tougher skin  
What penetrates I can't erase  
As I retrace what could have been

No, I know where I went wrong  
Oh, where I went wrong  
Oh, where I went wrong  
Oh...

Yeah, I know where I went wrong  
(Yeah, I know, yeah, I know, yeah, I know)  
Yeah, I know where I went wrong  
(Yeah, I know, yeah, I know, yeah, I know)  
Yeah, I know where I went wrong  
(Yeah, I know, yeah, I know, yeah, I know)  
Yeah, I know where I went wrong  
(Yeah, I know, yeah, I know, yeah, I know)

(Yeah, I know, yeah, I know, yeah, I know  
Yeah, I know, yeah, I know, yeah, I know  
Yeah, I know, yeah, I know, yeah, I know  
Yeah, I know, yeah, I know, yeah, I know)  
Yeah, I know where I went wrong  
...
