

# The Cognate House of Courtly Witches Lies West of County Meath

Absu

I am the one to seek the courtly witch -  
She is the one to find me.  
I am the one to yearn the dazzling bitch -  
She is the one to bind me.  
So I say, the spell has begun!

"The darkness is starting and control is done..."

Stones of power inside this sphere  
are stark stones of magick -  
I am joining the mystic ring,  
with this woman, as we implore.  
We do implore.  
I am aiding the mystic writ;  
I am gifted knowledge from deep wells!

Candle of fire, candle of might,  
Create my desires here on this night -  
This candles stream is suddenly flaming higher!

Bring to me my heart's desire,  
My words of strength are suddenly hung,  
So I proudly state this spell has begun!

Stones of power within ire  
are strong stones of cabal.  
I am joined int he magick round,  
with this bitch, as we implore.  
We shall explore.  
With Paralda by my side,  
I am granted sylphs and zephyrs!

Show me the rings of your cosmic fire,  
Make my pathway carved and clear.  
Give me a code that's no will of mine,  
To show me your presence is here!

Courtly witch of the beast -  
Courtly bitch of the daring arm,  
I am your tyro, yet never alarmed!

A dash of thistle, and in my dreams -  
Give me the silver-gilt key,  
That will unlock the spell...  
Courtly witch, assist me!
