

# Holier Than Thou

Absurd Minds

Holier than thou  
We tear you down  
You may cry  
We stare and frown

We build you up  
And tear you down  
We watch you drown  
We stare and frown

We throw the stone  
We leave you alone  
We (holier than thou)  
Shouting out in the loud

O-o-oh

We are the ones,  
That claim to know:  
What the scriptures say  
And how things should go

We are the ones,  
That claim to know

Holier than thou  
We tear you down  
You may cry  
We stare and frown

We build you up  
And tear you down  
We watch you drown  
We stare and frown

We are the ones,  
That claim to know:  
What the scriptures say  
And how things should go

We are the ones,  
That claim to know
