

Hindrance of belief.  
Hopeless, downcast and finally depressive.  
Hindrance of religion.  
Hopeless, downcast and finally depression.

They chose the suicide in protest for their belief,  
But living torches said: don't think negative.  
You are not your...  
- You've got a body.  
They burned it down.

Resurrection is a constant event.  
Every five hundred years a bird will be born.  
The power of the flames never gets lost,  
They burned it down and he feels good and godlike.
