

Solid, Steady, Changeless

Absurd Minds

Don't expect, do not plan, just watch events happening.
Enjoy as long as it lasts. Forget when it's over.
Move in and out of the world. It's a home and not a prison.
Watch all that happens.
It's joust done on a stage. Enjoy as long as it lasts, because
you are:

Solid, steady, changeless. immovable, ever new, ever fresh,
Rock-like, unassailable - a solid mass of pure being.
Solid, steady, endless, immovable, ever fresh, ever new.
Godlike, inexpressible - a solid mass of pure being.
Rock-like - solid mass of pure being. Godlike - ever new, ever
fresh.
Rock-like - solid block of pure being. Godlike - ever new, ever
new.

Single, simple, indivisible, neither mental nor material.
All shapes are only shells, but you are here to break the shell.

Watch all happens. Don't lament. You don't need no escape attempt.
Watch all that happens, don't expect and do not plan, just face
the fact.
It's just done on a stage. Enjoy as long as it lasts. Enjoy, because
you are:

Solid, steady, changeless. immovable, ever new, ever fresh,
Rock-like, unassailable - a solid mass of pure being.
Solid, steady, endless, immovable, ever fresh, ever new.
Godlike, inexpressible - a solid mass of pure being.
Rock-like - solid mass of pure being. Godlike - ever new, ever
fresh.
Rock-like - solid block of pure being. Godlike - ever new, ever
new.
