

A Great Height

Absynthe Minded

I'm on a great height
It's something
I'm on a great height
For someone
And you oughta know
It's you
(Ooh you are my wake-up call)

This love is a way of living
I'm not used to this life
I'm used to solitude
(Ooh you are my wake-up call)

I don't think about the future
I don't talk about the past
I'm wondering how
Could this last
(Ooh get high before you fall)

I get that feeling
A sensation of trust
And I can't get enough
It's so easy
I'm not holding back
No more
I guess
Nothing like it, this is
My endeavour my bliss
It's been stunning this is
My salvation my bliss

I'm on a big train
It's coming
I'm on a big train
To someone
And you oughta know
It's you
(Ooh you are my wake-up call)

I put a lotta weight
Upon your shoulder
But you keep up straight
Just like a woman
And that's just what you do
(Ooh you are my wake-up call)

I'm on a great height
It's something
I'm on a great height
For someone
And you oughta know
It's you
(Ooh get high before you fall)

I get that feeling
A sensation of trust
And I can't get enough

It's so easy
I'm not holding back
No more
I guess
Nothing like it, this is
My endeavour my bliss
It's been stunning this is
My salvation my bliss

Lalalala...
