Oh! The Longing

Absynthe Minded

Just a second
Give me just a second

I'm taking my time
Read in between the line
I'm taking my time
Read in between the line
Just a second

Comes the warning
Oh! The longing

I'm making no mistakes
I'm making no mistakes
I'm catching my breathe

I'm catching my breathe
I'm taking my time
Read in between the line

Comes the warning
Oh! The longing
Oh Wohwohohoh
Comes the warning
Oh! The longing
Oh Wohwohohoh
I'm making no mistakes
