

## 7 Ways

Abz

I dont know who but it wasnt me  
He wasnt all you'd thought he be  
And then broke your heart, girl you should have let me know coz  
you left it kind of hard for me to show  
Just how it feels when i'm next to you coz them other girls ain  
t nothing next to you no doubt in my mind coz i know its you  
So tell me its what you wanna do

Coz loving you girl  
Is all that i know why would i lie  
If you want me to i'll give you just a little more time to deci  
de  
If i could be, your anything coz you to me are everything

I'm talking to the mirror at 5am  
Waiting for your call in the pouring rain sugar coated kiss and  
a lipstick mark there are 7 ways of breaking my heart  
Wasted conversation and bad tv loosening our original chemistry w  
alking like i'm dancing on priceless art there are 7 ways of  
Breaking my heart

Turn of the tv  
We need t talk about the way coz i thought i heard you say some  
thing bout not being there for you s what do i have to do to  
Show that i care for you i'm saying i could be the one no more p  
laying girls for fun baby let me prove i got just what you  
Need if you give me half a chance to romance you coz you make m  
e feel complete

Coz loving you is all that i know girl why would i lie  
If you want me to i'll give you just a little more time to deci  
de  
If i could be, your anything coz you to me are everything

Breaking my heart

A couple of nights gone by she aint caled yet and i dont know w  
hy could it b i didnt give enough attetion or was it  
Something i said or didnt mention slow down- to damn fast bounc  
ewith another chick with a fine ass not me, got the other  
Girl on hold i was on line 2 she was going all cold

Coz loving you girl is all that i know girl why would i lie

If you want me to i'll give you just a little more time to decide

If i could be, your anything coz you to me are everything
