

# Brain Shake

AC/DC

Alright hold tight  
I really wanna ball tonight  
On a bender no space defender  
A joy on the floor I'll get it tight  
Toe to toe with a black widow  
Fee fi fum smell the blood of rock 'n' roll  
All out drive on a rockin' suicide  
My feet are jumpin' she's a joy to ride  
Joy to ride, joy to ride  
She's a joy to ride on a rockin' suicide  
Brain shake, brain shake, brain shake  
All I can take  
It's a brain shake, brain shake, brain shake

She's a mean lean rockin' machine  
A hip huggin' blue jean dream  
She's a woman worth givin'  
A sweet sweet kissin'  
Lips are runnin' round on me  
Toe to toe with a black widow  
Fee fi fum smell the blood of rock 'n' roll  
All out drive on a rockin' suicide  
My feet are jumpin' she's a joy to ride  
Joy to ride, joy to ride  
She's a joy to ride on a rockin' suicide  
Brain shake, brain shake, brain shake  
Ready to shake  
It's a brain shake, brain shake, brain shake  
It's a brain shake, brain shake, brain shake  
For mercy's sake  
It's a brain shake, brain shake, brain shake  
Cause she's a joy to ride  
Joy to ride, joy to ride  
She's an all out drive on a rockin' suicide  
Brain shake

Brain shake, brain shake, brain shake  
Ready to shake  
It's a brain shake, brain shake, brain shake  
It's a brain shake, brain shake, brain shake  
For mercy's sake  
It's a brain shake, brain shake, brain shake  
All I could take  
It's a brain shake, brain shake, brain shake  
You can't fake  
It's a brain shake, brain shake, brain shake  
Well it's a brain shake, brain shake, brain shake  
For mercy's sake  
It's a brain shake, brain shake, brain shake  
It's a brain  
It's a brain  
It's a brain  
Shake
