

## Let It Loose

AC/DC

Ooh... she was alright, she was alright  
Gunnin' for, my, myself  
Took me all night, took me all right  
Not before, twice we blow  
Ah, does anybody wanna leave her?  
Everybody want her more?  
Everybody wanna steal my girl?  
I said: "No no no"  
"No no no"

The juice, it's the juice  
Let loose, let loose  
Oh, the juice, it's the juice  
Let loose that juice  
Yeah

Ooh, but she was so hot, she was so hot  
Got me for, when I blow  
Scratch her all night, scratch her all right  
Comin' for, shit shit more  
Wanna flip the bird on by me  
Wanna hit the fuses low  
Wanna do what you want alone  
I said: "Go go go"  
"Go go go"

It's the juice, it's the juice  
Let loose, let loose  
Rid the juice, rid the juice  
Let loose that juice  
Yeah, alright, ah  
Ooh yeah

Rid the juice, rid the juice  
Rid the juice, rid the juice  
I wanna feel that juice, ah  
Rid the juice, rid the juice  
Aah, the juice  
Wanna leave you with the juice  
Yeah, yeah

Been around town, put the lights out  
Put the little bird [?]  
Do you feel good, do you know it [?]  
Do you like, a lot, a lot?  
Does anybody wanna leave her?  
Everybody want her more?  
No, no, no [?]  
I said: "No no no"  
I said: "No no no"

It's the juice, it's the juice  
Let loose, let loose  
Rid the juice, rid the juice  
Let loose that juice  
Wanna rid the juice, I said, the juice  
Let loose, let loose

It's in the juice, rid the juice  
Let loose that juice

Let loose the juice, yeah
