

No Man's Land

AC/DC

Come on, noon
You gotta get on board

Come on, noon train
Come on, need to get out
I said, come on, noon train
Come on, don't you mess me about
Hey

You see I tried and I found
No way to get out
I said, I tried and I found
There's no coming back for me

(No man's land) No, you gotta get away
(No man's land) Fight and live another day

Caught in a hard rain
'Cause you know I need to get out
Hey, hey
Yeah, head out on a wide plain
Come on, don't you fool me around, ooh, ooh, yeah

You know I sought and I found
It's hard to get out
I said, I fought and I found
There's no coming back for me

(No man's land) No, you gotta get away
(No man's land) Fight and live another day
(No man's land) In the middle of the fray
(No man's land) Fly, fly, fly away

(No man's land)
No man's land (No man's land)
I said, there's no coming back for me

(No man's land) No, you gotta get away
(No man's land) Live to fight on another day
(No man's land) In the middle of the fray
(No man's land) Fly, fly, fly away, hey

(No man's land)
(No man's land) You know you gotta get away
(No man's land) Live to fight another, fight another day
(No man's land)
