

It is Good for Us to Be Here

Acappella

It is good for us to be here
Praise the Lord
And it's good to sing His praises
Praise the Lord
Give your praise to God on high
Lift your voices to the sky
It is good to be with brothers
In His church
And it's good to build up others
In His church
There's no greater joy to be
Part of Jesus' family
It is good to be with Jesus
And with friends who truly need us
Loving arms that will receive us
Making it clear
It is good to look to heaven
Having all our sins forgiven
We enjoy the life we're living
Having Him near
It is good for us to be here
Praise the Lord
And it's good to sing His praises
Praise the Lord
Give your praise to God on high
Lift your voices to the sky
There's no greater joy to be
Part of Jesus' family!
