

# Jesus Knows

Acappella

Chorus:

Jesus knows what I'm going through  
Jesus knows what I need to do  
Jesus is there when I ask Him to  
Jesus will carry me through

Repeat Chorus

When I was a child I was afraid of the dark  
Today I'm scared of things I can see  
But if I just keep walking on down that road  
I know that Jesus walks in front of me

Repeat Chorus

When I get discouraged and I lose my way  
And I'm blinded by the wrong that I do  
If I trust in Jesus He will show me the way  
He will always carry me through

Repeat Chorus (2x)

I know that my Jesus He cares for you  
Jesus He cares for you

I know that my Jesus cares (Jesus, He cares for you)  
I know that he loves you (Jesus, He cares for you)  
I know that my Jesus loves you  
I know that sometimes you might feel a little burden (Jesus, He cares for you)  
I know that sometimes you may need a friend (Jesus, He cares for you)  
I know that my Jesus, my Jesus, cares for you (my Jesus, my Jesus, my-my-my Jesus)  
I know that my Jesus, my Jesus, cares for you (my Jesus, my Jesus, my-my-my Jesus)

Well, I know I have a friend in Jesus (Jesus, He cares for you)  
He looks past my faults and sees my needs (Jesus, He cares for you)  
He loves me just for me (Jesus, He cares for you)  
I know He loves you (Jesus, He cares for you)

(Well, I know that) Jesus will carry me through  
(I'm sure that) Jesus will carry me through  
(I'm glad that) Jesus will carry me through
