Acappella

We are joined - joined together To become a holy temple In the
Lord built together To become a dwelling place where God can li
ve We are joined - joined together To become a holy temple In t
he Lord built together To become a dwelling place

Primeira Estrofe: We are not foreigners Not aliens we're citize
ns Members of His household We seek the good We're misunderstoo
d - a brotherhood Living for His household Rejoice with those w
ith joy And weep with those who weep Loyalties aligned A bond w
e'll always keep (because)

Segunda Estrofe: Though once were all alone And in the dark, no
w set apart Members of His Priesthood The chosen ones And royal
ty - community Serving in His priesthood The common things we s
hare Beyond the second birth And words cannot compare To life b
eyond this earth

Before this once Once we had no hope (Once we had no hope) Not
a will to live (Not a will to live) Now we are a family With so
much love to give

We are joined - joined together To become a holy temple In the
Lord built together To become a dwelling place where God can li
ve We are joined - joined together To become a holy temple In t
he Lord built together Joined and built together Rising up - ri
sing up To become a temple of God
