

## Lay It Down

Accept

I would have lied for you  
i would have died for you  
You cut the skin off my bones

I thought you'd steal for me  
I thought you'd kill for me  
Ain't gonna throw the first stone

I feel a growing anger  
'Cause you turned your back on me

Lay it down on me - lay it down on me  
Lay it down on me - lay it down on me

I'm gonna fight for you  
I'm gonna kill for you  
I'm the blade of your knife

I gave my heart to you  
But lost my faith in you  
Now you're the hate of my life

I feel a growing anger  
'Cause you turned your back on me

Lay it down on me - lay it down on me  
Lay it down on me - lay it down on me
