

# The Reckoning

Accept

Horsemen ride into the night  
Bringing chaos with fury and might  
Sky turns black stars align  
Rapture calls it's the end of times

The heavens cry as darkness looms  
Robbed injustice impending doom  
Judgement strikes might revealed  
Chaos unleashed your fate is sealed

The angels weep, the demons cheer  
The sinners tremble  
The saints prepare

This is The Reckoning  
The judgement day  
This is The Reckoning  
The End of Days

Revelations truth on the youngest day  
In the depths of hell no secrets stay  
Souls are judged no one can flee  
No escape from the end decree

No mercy shown, no second chance  
The flames of fate, in a deadly dance

This is The Reckoning  
The final call  
This is The Reckoning  
For one and all

Horsemen ride duty complete, ashes of life beneath their feet  
Darkness falls the final sign  
The grand finale the end of times

The curtain falls, the verdict clear  
The Reckoning  
The end is here

This is The Reckoning  
The judgement day  
This is The Reckoning  
The End of Days
