## **So Contagious**

## Acceptance

Oh no, this couldn't be more unexpected And I can tell that I've been moving in so slow Don't let it throw you off too far Cause I'll be running right behind you

Could this be out of line? (Could this be out of line?)
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously

Oohhh, when I'm around you I'm predictable Cause I believe in loving you with first sight I know it's crazy but I'm hoping to..

To take a hold of you

Could this be out of line? (Could this be out of line?)
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously

Oh you're everything I'm wanting Come to think of it, I'm aching On account of my transgression.. Will you welcome this confession?

Could this be out of line? (Could this be out of line?) To say you're the only one breaking me down like this You're the only one I would take a shot on Keep me hanging on so contagiously

Could this be out of line? (Could this be out of line?) To say you're the only one breaking me down like this You're the only one I would take a shot on Keep me hanging on so contagiously
