

Torn Inside

Acceptance

I can't speak, I'm lost for words
I can't hear, the silence burns
A hole in inside of me
That I can't feel for the life of me

I can't see, I'm blinding by
Those things you say to me are lies
I can't feel, feel you near
And that's because you were never here

What am I supposed to do?
How am I supposed to feel?
I put my, my trust in you
But life can change

I can't see, I'm blinding by
Those things you say to me are lies
I can't feel, feel you near
And that's because you were never here

You lied to me, you let me down
You turned this smile into a frown
And you're the only reason why
I find it hard to sleep at night

I'm feeling down I'm feeling blue
I think of past time spent with you
And now there's nothing left to say
So I just turn my head away

I can't see, I'm blinding by
Those things you say to me are lies
I can't feel, feel you near
And that's because you were never here

You lied to me, you let me down
You turned this smile into a frown
And you're the only reason why
I find it hard to sleep at night

I'm feeling down I'm feeling blue
I think of past time spent with you
And now there's nothing left to say
So I just turn my head away
