

Confident

Ace Hood

Nation
Okay, okay, okay
Okay, okay, okay

Confident, never mistake it for cocky (never)
Problem is, you only hype with your posse
The boy in here, they wanna have a ménage
I wanna pull up to party in a big body rolling a fatty (skrt)

I am a magnet for baddy, I am a passionate daddy
Tripling up on a baggy, they say that boy looking godly
You can feel the energy regardless who you be you stand in my presence
I speak the truth in my lessons, I keep it true to the essence
I got a pot full of blessings, tell you the truth I'm a legend
I'm in New York with the kush and the backwood feeling highly respected
With or without any necklace, no I don't stand for them pledges
Yes I be quick with them weapons, please do approach with discretion
I'm in the gym going ape, I meditate every day (you dig)
Switch up the wave, I'm in the club with my chains, six percent fat on a frame
Think it's a game, fuck all that tryna' maintain, we came to buy the whole thing
Positive vibes, humble but ready inside, them loud people usually less

Confident, never mistake it for cocky
Problem is, you only hype with your posse
The boy in here, they wanna have a ménage
I wanna pull up to party in a big body rolling a

Me and queen doing hot yoga on a Wednesday it feel lovely
I just made me a pretty penny nigga's in and out of them countries
I done created a life, focus on doing it right, don't be the negative type
I wanna smile more like bonjour, nigga smelling like Tom Ford
We at the Heat game on a wood floors, having Loubouton foot wars
I need that long day, I've been going hard, I'm in need of a foot rub
I'm sitting poolside with a blunt lit going over some check stubs
I know my ex in her feeling she gotta be missing that genuine real love

Confidence, don't you mistake it for cocky
Problem is, you only hype with your posse
The boy in here, they wanna have a ménage
I wanna pull up to party in a big body rolling a fatty
I am a magnet for baddy, I am a passionate zaddy
Tripling up on a baggies, they say that boy looking godly
You can feel the energy regardless who you be you stand in my presence
I speak the truth in my lessons, I keep it true to the essence

Confidence, fuck nigga
