My niggas loyal

Until he ratted on the crew  
We got a problem,  
We gotta figure out the truth  
Was it you?

Young niggas be killers,  
Choppers leavin' my bed,  
Fuck you with your feelings  
Ain't no talking to the police, never turn on my pix  
Loyalty for my dogs, nigga MOB  
Still gotta wash the people you round,  
Post them niggas playin' them down  
These looking smile with you and talking bout you  
Everytime you're not around  
Boy that's whole shit to the finest,

All my niggas on papers,  
All about that drama,  
Wait! Huh, oh you ain't no,  
How do not trust me nobody you know?  
Family close, enemies close, the reason I ride em I creep em to toaster  
That's on the law, never you know, it could be police that selling you dope  
Someone you nigga they work for the folks
