I can feel the best coming out me  
I can pray for sun when it's lightning  
I can be myself with a wifey  
I can live my life on a low-key  
I just run my check like a nike  
Barely see myself 'cause I'm icy  
I look in the mirror and what I see  
I look in the mirror and what I see  
(What you see woe) Lost soul in the world had to find his way  
I fall I rise at the end of the day
