

# She Never Understood

Ace Hood

Don't you know you don't understand  
She gon' keep it loyal  
Don't you know you don't understand  
Ace Hood, keep it true to my religion, yeah

When I tell you that I love you, girl, I mean it, babe  
Just know that I won't lie, but I might drive you crazy  
Just know that we gon' ride until the day that we  
I'm out here on my own, yeah  
And you won't tell me I'm wrong, yeah  
Just won't pick up your phone, yeah  
That's why  
I'm singin' you this song, yeah

She gon' keep it loyal, I'm gon' keep her spoiled (Yeah)  
We come from that mud, we come from the soil (Yeah, yeah)  
Drip her in the finest of that new designer (Yeah)  
Pickin' different diamonds, we gon' switch the climate (Yeah)  
Promise to never lie, 'less it's beside of you (Ah yeah)  
Know if I ever need you, you gon' follow through

When I tell you that I love you, girl, I mean it, babe  
Just know that I won't lie, but I might drive you crazy  
Just know that we gon' ride until the day that we  
I'm out here on my own, yeah  
And you won't tell me I'm wrong, yeah  
Just won't pick up your phone, yeah  
That's why  
I'm singin' you this song, yeah

You gon' keep it honest, I'm gon' do the honors (Yeah)  
I don't need no stress, I need more nirvana (Yeah)  
I'm gon' fuck her good, she need no reminders (Yeah)  
Put it on my hood, I got to war behind her (Yeah)  
Promise to never lie, 'less it's beside of you (Ah yeah)  
Know if I ever need you, you gon' follow through (Yeah)

When I tell you that I love you, girl, I mean it, babe
