Ace Hood

Once you find it do not let that feeling go
Look into her mind besides her physical
See what you can find inside that envelope
We just gotta love ourselves a lil bit more
Do not make that thread if you not with the smoke
Do not sign a line if you don't pray before
Money ain't gon' keep no rilla warming bro
We just got to love ourselves a lil bit more

I'm creating life and I feel great about it
Know I found my wife, there's no mistake about it
Speak it in existence, one must visualise it
Fear inside of me, I try to venomise it
Like I give thanks, make my way down to the bank
I don't give a flying fuck 'bout what you think or got to say
Paid the grip, they trip the rolley, I don't have no time to wa
it
I do everything for love but all the friendly shit I hate

Once you find it do not let that feeling go
Look into her mind beside her physical
See what you can find inside that envelope
We just gotta love ourselves a lil bit more
Do not make that thread if you not with the smoke
Do not sign a line if you do not pray before
Money ain't gon' keep no rilla warming bro
We just got to love ourselves a lil bit more
We just got to love ourselves a lil bit more
