

## True 2 Self

Ace Hood

Beam me up Scotty  
Beam me up Scotty  
Beam me up Scotty  
Beam me up Scotty  
Beam me up Scotty..

No, I won't change  
No, I won't change  
I won't change

Sometimes, I be feelin' like "Fuck rap"  
Cause ain't nobody interested in all this real shit  
Real  
But that be going through my mind on some real shit  
Like why this nigga heavy underrated?  
That shit got niggas steady contemplatin'  
I'm tryna find patience  
Tryna find the answers on the daily  
I think it's time we have a conversation  
But I got limitations  
That's probably why I'm in this situation  
These rappers just a bunch of imitations  
I'm gettin' too impatient  
I'm thinkin' shit I'll make a reservation  
Probably only way a nigga make it  
But that ain't true  
Lookin' cold nigga, that's your proof  
Overdose on autotune, nigga that ain't you  
Sell your soul, it's kinda like I said "I do"  
I won't budge, I can't lie  
This shit gets tough  
To all my fans, I promise you can call my bluff  
I'm never one to break that trust  
For real

And I won't change  
No, I won't change  
No matter the fame  
No matter the name  
I'm true to myself  
And that won't change  
And that won't change

They like, Ace why you never mentioned in the media  
Why that nigga treat you like you needed 'em  
Polo in a medium  
Niggas gassed up like the helium  
What's that 87 to a premium?  
He don't get to shine  
He don't get the love that he deserve  
That shit is gettin' on a nigga's nerves  
That shit is too confusing  
All of these illusions  
Kevin Hart, funny man, these rap dudes, amusing  
For the love of music  
Gold chains, cubans  
Rollie on the wrist, I'ma a product of abusing

And that's real shit  
Tryna rush the rap game, like I call blitz  
Made a couple mill, ain't satisfied yet  
Shit  
I'm more focused on my legacy  
How I can aspire gon' require up a better me  
So who am I? Be that shredded motherfucker  
You should get to know him, you'll love him

And I won't change  
No, I won't change  
No matter the fame  
No matter the name  
I'm true to myself  
And that won't change  
And that won't change

No matter how high or low  
I would never ever sell my soul  
Say no matter how high or low  
I would never ever sell my soul, no

Cause we up, we up, we up, we up  
Wake up, wake up, wake up, wake up  
Cause we up, we up, we up, we up  
Wake up, wake up, wake up, wake up

One more problem  
I will not ever follow  
I will not ever bother to change and switch up the motto  
I'm true to what I believe  
And blessings will be received  
Supporters will be relieved  
To see what we have achieved  
That's that inspiration  
So no matter what the world might say  
I am god fearing, working on myself everyday  
And that's okay  
I know we all make some mistakes  
Nobody's perfect  
We all got them demons to face  
Bad time or good times  
Man I still give thanks  
Ain't no such thing as dawg I can't  
Ain't no such thing as dawg I can't  
Feel me?

To all my fans, I promise you can call my bluff  
I'm never one to break that trust  
For real

No, I won't change  
No, I won't change  
No matter the fame  
No matter the name  
I'm true to myself  
And that won't change  
And that won't change

I'm still true to myself  
I'm still true to myself  
I'm still true to myself

And that won't change  
And that won't change
