Know I had to fuck that bitch
Then I had to put her in a Uber
Call up the shootas runnin' up
Niggas pulled up in a Uber
Way too drunk last night
Nigga fell asleep in a Uber
Shawty took a hit of that white
Then I got head in a Uber
Uber, Uber, shit goin' down in a Uber
Uber, Uber, shit get wild in a Uber
Might leave the club with a cougar
15 minutes for an Uber
Roll up, smoke another doobie
Nigga hot-box in a Uber

Tryna get frank's in the Mueller
Dum-Dum stones in the Cuban
Hatin' ass niggas in the future
Niggas ain't real it's illusion

Never lose sight of the big dream
35 G's for the 16
Bless up, millionaire at 18
