Ace Hood

Uh, some say I'm the voice, give my people hope  
I'm the chosen one, some say I'm the GOAT  
This that holy ghost don't you overdose  
This that living legend hands around your fuckin' throat, get it?  
I am a menace I am the end ain't no fucking beginnin'  
It ain't no question bout who is the realest  
Niggas are gimmicks they gotta be kiddin'  
Follow my lead and I show you the way  
I am believin' and walkin' in faith  
Real nigga shit we can never relate  
People are not who they seem to portray  
Look in my eyes look in my soul  
You niggas hoping a youngin' a fold  
I know the difference to friend and a foe  
You know the way I'm a play them up close  
Told you way back in 08 I'm too cold Chincilla  
No I'm too raw you too flawed don't act up Ben Stiller  
Feeling like Lil Wayne my block hot my shirt off I'm realer  
Please don't push me cause you pussy like gynecologists niggas  
One for the people who counted me out  
Give them a piece of the beast of the south  
I hear the mumbles they cover their mouth  
I came to see what the hype is about  
Niggas in foreign cars with big rollies and a gold chain shit rented  
I just lol at you lame guys but I need to mind my business  
I'm on some hoodnation I am a first round pick  
I'm going hard as the pavement  
Wait on the day when the wave hit  
When I'm in Dubai I have [?] smoking on Shisha that taste good  
We had that suite on the ninth floor  
Living the vision we prayed for

Ooo

Hope this hold you over to my next shit  
I been dropping hits I dropped another hit  
That's right put me on some other shit  
I'm an alien that's why I'm in this mothership  
She just ain't my lady that's my partner there  
I can't even lie she got me pussy whipped  
I can't even lie she help me elevate  
I feel so alive after I meditate  
Oo, got me stunting on my X bitch  
Oo, I had to block her like I'm Tetris  
Oo, might buy a ring for my new chick  
Oo, she got me thinking bout engagement  
Switch, got me stunting on my X bitch  
Oo, I had to block her like I'm Tetris  
Oo, might buy a ring for my new chick  
Oo, she got me thinking bout engagement
