My Mind

Ace Of Base

```
Ace of Base is in your mind
io! dance...

Everyone everywhere
Everyone everywhere
Ace of Base is in your mind

You're giving me hope
I'm moving back in time
You're giving me hope
I'm moving back in time

Everyone everywhere
Dance or fade out!

In my mind, in my mind, in my mind
In my mind you live

You're giving me hope
I'm moving back in time
(I'm moving – I'm moving)
```
