

# I Worship You

**Ace Troubleshooter**

How do I begin to speak of Your glory?  
How do I begin to speak of Your love?  
How do I begin to speak of Your goodness?  
How do I begin to praise my Father above?

I think of all the things You've given  
And the price for me You chose to pay  
Your thoughts of me are always sunshine  
Through my clouded mind I see the Son drive the rain away

I worship You

Oh Lord Your love brings sunshine to my days  
Oh Lord Your love brings a smile to my face  
Oh Lord Your love brings hot sauce to my taco  
Oh Lord Your love brings warmth to my heart

Oh Lord how I long to be in Your presence  
With a longing heart I sit at Your feet  
Oh Papa God I throw my arms 'round You  
With a humble heart I lift my hands and fall on my knees

I worship You
