

24 Hours

Ace

Twenty-four hours
Baby to your love
Sending no flowers
You know what I'm thinking of

Twenty-four hours
Baby to your love
Sending no flowers
You know what I'm thinking of

Well I was sitting outside of the station
Waiting for that whistle to blow
See I'd been out working in Germany
But I ain't got a penny to show

Well, way back, over in England
Baby's waiting for me
Well I know she gonna feel so glad
Because I saved all my duty free

Twenty-four hours
Baby to your love
Sending no flowers
You know what I'm thinking of

Twenty-four hours
Baby to your love
Sending no flowers
You know what I'm thinking of
