

Sniffin' About

Ace

Takin' it easy, takin' our time, sniffin' about
We got a notion, time gonna tell and it'll work out
It goes
There ain't no sly seducer fooling me
And nothing you can do, Sir, oh no

I learned me a lesson when I was a boy
Just sniffin' about
You get a connection, selected perfection
It'll work out

It goes
There ain't no sly seducer fooling me
Ain't nothing you can do, Sir, anyway

Sniffin' about
Checking it out
Sniffin' about
Checking it out

Well, I learned me a lesson when I was a boy
Sniffin' about
You get a connection, selected perfection
It'll work out

It goes
There ain't no sly seducer fooling me
Ain't nothing you can do, Sir, anyway

Sniffin' about
Checking it out
Sniffin' about
Checking it out

Alright
Alright
(Sniffin' about)
Alright, I
(Sniffin' about)
Alright, I was sniffin'
Just sniffin', sniffin' about
Just sniffin' about
I was just sniffin', sniffin' about
Checking it out
Sniffin' about
Oh, I was sniffin' about
I was checking, checking it out
Yeah, I was was sniffin' about
