Project low...yeah
(I love it) Yeah-yeah!
Whoo--coo-coo-coo...

[R: 2x]
I go easy on the coke, you know
heavy on the green, don't pop the pill
amphetamine, or aspirin
only thing I shoot up is the sound at the scene
and if the DJ pull up, I still do my thing

Hey! I gotta let you know I'm (real, real, real, real)
tight, I'm unprofessional and this is how the session go
look, I'm exceptional shine (real, real, real, real)
bright, West Coast you know and yes
I'm gonna test you tonight, sensational... (real, real, real, real)
psyched, motivational I guess it's just
a sign of the times, and when I'm facin' you
it's real, real, real high, I got a tune for you
more than just a couple of lines...

Don't take it personal, I'm real, real, real, real

in the place to connect

safe the type a stuff to show the celebrated respect

Say me no sniff coke don't take me fig a joke
smoke off the green when I land on the scene
Hey who you with, take a puff off the spliff
everybody know the type of flow you dealin' with,
no pop pill, cuz' it might make me ill
got to spread the word, so the people know the deal
