

# Criminal

A.CHAL

In the night time  
The darkest hour  
Can you tell me  
Where I left my flowers  
Saw the devil on a rainy day  
Take my hand and make a way  
You can lock me up and keep the key  
The truth won't set you free

I guess I'm somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal

Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal  
Somethin' like a criminal
