En una cabana, my necklace de agua
I'm breaking Cubanos, pongo marijuana
Won't see me mańana, I'm thinking Montana
I'm crossing the border then buyin' the land up
Bebiendo 'te romo, tenemo 'te plomo
Yo soy una estrella, tu eres palomo
El rey de la zona, Gazi amazona
Verde en mi ropa, verde mi aroma
I remember bein' six
They hit my tío's spot for a lic
Abuela took me to the side and told me
"Be careful who you let inside"
Gettin' hot like Belize
Feelin' like Tony with the fees
Spillin' Cuervo on the Pyrex
Break it down, tape it, send it on the highway

Ayy, ayy, wey, qué
Cuànto, tanto, vamos, vamos
Ayy, ayy, wey, qué
Cuànto, tanto, vamos, vamos

Suc, guap, suc, guap
Used to be actin' from blocks
Used to mix Sprite with the Wop, ayy
Your bitch, she like me a lot, yeah
Fuck that bitch, she blow my line, ayy
Blow my line, blow my line, yeah
On the phone, plug talk
Licking, spilling, bar walk yeah
Empire, empire
GAZI Gang NY
GAZI Gang NY (Gang)
Come to them, I let it fly (bitch)
Shots fired, shots fired (bow, bow)
Strong arm, Popeye
Wreckin' shit, recognize
Know they want me penalized
See them hatin', eagle eye

Ayy, ayy, wey, qué
Cuànto, tanto, vamos, vamos
Ayy, ayy, wey, qué
Cuànto, tanto, vamos, vamos
Ayy, ayy, wey, qué
Cuànto, tanto, vamos, vamos
Ayy, ayy, wey, qué
Cuànto, tanto, vamos, vamos (vámanos, vámanos)
